TERMS & CONDITIONS

ARGENTIX (AGX) | www.theargentix.com | Effective date: 6 November 2026

1. Introduction and Acceptance

These Terms and Conditions govern access to and use of www.theargentix.com (the “Website”), operated by Juliette Group LTD (“we”, “us” or “our”). By using the Website, you agree to these Terms. If you do not agree, do not use the Website. Separate terms, the applicable crypto-asset white paper and mandatory legal requirements may govern any offer or purchase of Argentix (AGX).

2. Company Information

Juliette Group LTD, Company Number 17493479, registered office: 71–75 Shelton Street, Covent Garden, London WC2H 9JQ, United Kingdom. Contact: info@argentixgroup.com.

3. Website Information

The Website provides information about Argentix, the AGX utility token and planned or available ecosystem services. Descriptions, illustrations, roadmaps and anticipated features may change and do not constitute a guarantee that a product or service will be launched or remain available. We may update Website content to reflect developments.

4. Eligibility and Lawful Use

You must use the Website only in accordance with applicable law. You are responsible for ensuring that accessing the Website or acquiring AGX is lawful in your jurisdiction. We may decline or restrict a transaction where necessary to comply with applicable legal, regulatory, fraud-prevention or security obligations.

5. AGX Token and Its Purpose

AGX is presented as a utility token intended to provide access to certain Argentix services or benefits, subject to their availability and specific conditions. AGX does not confer ownership in Juliette Group LTD, dividends, interest, profit-sharing rights or a contractual right to redeem AGX for euros. An offer of AGX is not an offer of, or solicitation to purchase, financial instruments. Applicable law and regulatory classification take precedence over this description.

6. Offers, Prices and Purchases

Any AGX sale is subject to the published offer conditions, applicable white paper and information presented to the purchaser before an order is accepted. The current offer price, any promotional discount, the offer period, purchase process and availability must be checked at the time of purchase. A quoted euro price is not a promise of stable value, resale value or redemption. Submitting a purchase request does not necessarily mean that it has been accepted.

7. Payments and Delivery

Payments may be processed through external banking or payment service providers. Their separate terms and checks may apply. Any applicable fees, payment instructions, delivery method and expected timing should be communicated during the purchase process. Purchasers are responsible for providing accurate details, including a compatible Solana wallet address where token delivery requires one. Blockchain transfers may be irreversible.

8. Withdrawal and Refund Rights

Where the statutory 14-day withdrawal right under applicable crypto-asset legislation applies to a retail holder, it may be exercised by contacting info@argentixgroup.com within the relevant period. Any refund and return of AGX will be handled in accordance with applicable law, including rules on the timing and method of reimbursement. We may provide instructions for returning tokens where legally appropriate. Nothing in these Terms removes statutory withdrawal, refund or consumer rights; exceptions or limitations apply only where legally permitted.

9. Wallets, Security and Transactions

You are responsible for safeguarding private keys, recovery phrases, login credentials and wallet access. Check recipient addresses and network compatibility carefully. We are not able to reverse Solana transactions merely because they were submitted incorrectly. Contact us promptly if you suspect fraudulent activity involving the Website or an AGX purchase.

10. Token Administration and Supply

AGX operates on the Solana blockchain. The token configuration may permit additional minting and freezing through administrative permissions controlled by the issuer. Freezing may be used in connection with security, suspected fraud or legal obligations. These powers and any modification or revocation of permissions may affect AGX supply or transferability. Further details should be read in the applicable white paper.

11. Risks and No Investment Advice

Crypto-assets involve material risks, including loss of value, lack of liquidity, cybersecurity incidents, technical failures and changes in law. AGX is not guaranteed to retain a particular value. Website information is general information and not personalised financial, investment, tax or legal advice. Read the AGX white paper and Risk Disclaimer before making a decision.

12. Intellectual Property

Unless otherwise indicated, Website branding, text, designs, graphics and other original content belong to Juliette Group LTD or its licensors. You may view the Website for lawful personal use. Reproduction, redistribution or commercial use without authorisation is prohibited except where permitted by law.

13. Prohibited Conduct

You must not misuse the Website, interfere with its operation, attempt unauthorised access, introduce malicious code, impersonate another person, use the Website for fraud or violate third-party rights. We may take proportionate steps to protect the Website, users and our legal interests.

14. Third-Party Services and Links

The Website may rely on Wix and may link to third-party websites, wallets, banks or payment providers. We do not control their separate content, availability or privacy practices. Review the terms and policies of those third parties before using their services.

15. Availability and Changes

We aim to maintain the Website but do not guarantee uninterrupted, error-free operation. We may modify, suspend or discontinue Website features for maintenance, security, legal or operational reasons. Material changes to these Terms will be reflected by an updated effective date and, where legally required, communicated appropriately.

16. Liability and Mandatory Rights

To the extent permitted by applicable law, we are not responsible for losses caused solely by independent third-party services, public blockchain failures or user errors outside our reasonable control. Nothing in these Terms excludes or limits liability that cannot lawfully be excluded, including liability for fraud, or limits mandatory consumer protections and remedies.

17. Privacy and Cookies

Personal data is handled in accordance with our Privacy Policy. The Website may use cookies and similar technologies, including those provided through Wix. Details and any applicable choices should be provided in the Website's cookie information and consent controls.

18. Governing Law and Disputes

These Terms are governed by the laws of England and Wales, except where mandatory laws of the user's country of residence apply and cannot be excluded. Any dispute is subject to the jurisdiction of the competent courts under applicable law. Consumers retain any mandatory rights to bring proceedings in courts available to them under applicable rules.

19. Contact

Questions about these Terms, an AGX purchase or the exercise of legal rights may be sent to info@argentixgroup.com.
